## 3d BLUE – UNHYPHENATED PRETORIA PICTORIAL

### PRINT

Printed by the Government  
Printing Works, Pretoria

### LIFESPAN

Oct. 1933 – Feb. 1940  
6 year 4 months

### DESIGN

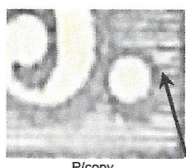

Grootte Schuur  
Redrawn by J PRENTICE

In October 1933 the colours of this denomination was changed to blue and blue in order to conform with the Universal Postal Union's colours

The sheets, except for the change in colour, were identical with the previous red ones and it appears that the old plates were used to print this 3<sup>rd</sup> printing of this issue

An English inscribed stamp appears as the first stamp on the sheet

### CHARACTERISTIC

A white spot appears in the shading next to the full stop of the 3 in the right value tablet on every English headed stamp

### ISSUE 1

Headplate 1: Frameplate 15  
October 1933
