

Updates: corrections and additions:

We are well aware that this catalogue is a work in progress. New postmarks are still being frequently reported, and published information on dates of use is usually very sketchy. An important purpose of this catalogue is to encourage collectors to report new cancellations and new dates. We plan to make updates available on this website, and would be most grateful for details and scans of any previously-unreported date-stamps, earlier and later dates of use, better images, and any corrections and comments. Please send to bas.payne@gmail.com. If possible, scans should be 300 or 400 dpi, and saved as .jpg files.

In the updates, substantive additions will be high-lit in green, e.g. **21 OCT 02 AM**, and substantive corrections in yellow, e.g. **21 OCT 02 AM**.
