

PS of J Newsletter

OCTOBER 2022

Welcome to our October newsletter.

OUR LAST MEETING

Our September Zoom meeting was another victim of load shedding.

OUR NEXT MEETING

Our meeting venue in the Side Hall of the Blairgowrie Recreation Centre is now open for meetings again. Hooray.

It will not be possible to hold our October meeting there as I will be away for most of the month, with no time to return our urn and other catering equipment and to make sure everything, including support services, will be in place to hold a full, problem free meeting.

Our 19th October meeting will again be a Zoom meeting at 19h00, load shedding permitting. As I will be away, Gary Pienaar has agreed to chair the meeting.

The usual themes for our October meetings were **My favourite (Maximum of one frame) and thematic exhibits**. You may also show what you have held over from our cancelled meetings, like previews of your exhibits for the National.

CAPE TOWN INTERNATIONAL, THE NATIONAL & CONGRESS

We wish our members exhibiting good luck and good judging. The latter is becoming more and more debatable since new classes were added where it often is the exhibitor that has the most knowledge of his exhibit.

SOCIETY NEWS

Not much news here other than the reopening of our meeting venue. We will have to see for ourselves what improvements have been made.

Obviously, face-to-face meeting in the BRC venue will be affected by load shedding. Let us hope we will know in good time before the meeting if we will have power there or not.

Considering this and the ages of some of our members, should we be considering daytime meetings. Please let's have your opinions on that.

Let us hope we will have an increase in attendance, by those who did not participate in our Zoom meetings coming back as active members. Let us also hope there is not a surge in COVID infections to again affect our physical meetings.

TAIL PIECE

"In my day it was stamps" v
